

BIO-PHARMACEUTICAL AND MEDICAL DEVICES

Q Source has spent a lot of time working with the pharmaceutical industry and have forged relationships with some of the most trusted manufacturers they use most often. We help our customers by bringing our experience into each project, providing complete solutions for every phase of the project. We offer a wide range of products so that multiple vendors are not required to supply their projects. We offer a categorized catalog including:

- Furniture:
Benches, casework, cabinetry, shelving, Tables, Chairs (ESD and cleanroom)
- Cleanroom supplies:
Gowning, gloves, flow hoods, Cleanrooms, filters
- ESD Products:
Ionization, personal grounding, ESD gowning
- Magnification and lighting:
Microscopes, Stereoscopes, LED lighting
- Chemicals:
For cleaning and from process work
- Production equipment:
Soldering, hand tools, torque tools,
- Bench top products:
Tapes, label dispensers, organizers, bins,
- Packaging:
Boxes, bags, packing materials
