# XDRY CORP.

# Deep Dry Cabinet that Fits Standard Trays & Reels
# 502 Series

*Dry cabinet system that fits standard trays and reels*

## XDry Competitively Priced Dry Cabinets

The deep cabinet features 2 large doors that close onto an easily removable and replaceable center bar. This design allows full access to the cabinet interior, providing convenient storage for large or odd-shaped items as well as standard trays or reels. This deep cabinet can be configured with 1 or 2 X-133 desiccant dryers, providing storage and desiccating solutions for both long-term inventory and production environments.
