

# 100-1 Series Technical Specifications

PROPERTY	SPECS
Tensile Strength (kg/cm <sup>2</sup> )	11
Tear Strength (kg/cm)	4.1
Durometer	Shore C: 16.5 Soft to medium-soft
Elongation (%)	300 ~ 500
Specific Gravity	0.2
Temperature Durability (°C)	~200 degrees within 1 minute
Slip Resistant	National Floor Safety Institute Certified for "High Traction"
Cell Structure	Closed cell
Material	100% nitrile rubber foam
Water Resistance	Impervious
Oil Resistance	Impervious
Antimicrobial	100%
Warranty	2-year full replacement
