

BACKLESS STOOLS

REPAIR STOOL SERIES

VALUE-LINE
FEATURED MODEL
V3081P

BEVCO's MAINTENANCE REPAIR STOOL is designed specifically to provide comfortable support for tasks in machine shops, warehouses, and industrial settings where bending or crouching is required to complete work. The stool features a convenient plastic tool tray underneath the seat, providing a handy space for easy access to tools while working. This makes it an ideal solution for improving efficiency and comfort during maintenance and repair tasks.

STANDARD FEATURES

- Polyurethane seat is impervious to water, oil and most chemicals
- Easy-to-use pneumatic height adjustment
- Puncture resistant
- Easy-to-clean
- 16" diameter plastic storage tray
- Dual-wheel carpet casters
 - Also available with a fabric seat (V3081F)
