

ERGOMAT®

DURASTRIPE® Floor Marking

Floor marking is a must for safety but it should also perform in difficult situations without taking up a lot of your time. DuraStripe floor marking installs in minutes and is engineered to stand up to demanding conditions from cracked, damaged or slippery surfaces to constant foot and industrial vehicle traffic. It is tough material for your tough workplace, so go ahead, be demanding ...DuraStripe can take it!

BENEFITS

Strong Bond – Aggressive bonding properties deliver exceptional performance on perfect or less than perfect floors.

No More Painting – Save hundreds on paint and eliminate costly down time while paint dries. Peel & Stick striping is applied in rolls.

Color Variations – Up to 11 standard colors, 4 hazard stripes and unlimited custom colors offer multiple visual identification options.

Textured Surface Bond – Thick conformable adhesive makes it perfect for textured surfaces.

Easy Installation – Simple peel-&-stick installation in seconds! Requires no costly specialized labor or equipment.

High Visibility – Perfect to conveying safety instructions or traffic directions to pedestrians / industrial vehicle operators.

Customizable – Fully customizable with custom shapes, sizes, colors, text, graphics, pictures and company logos.
